

Beltrami County

2025 SpRING Road ReStRiCtiOnS

Legend

- 5 tons
- 7 tons
- 9 tons
- 10 tons
- US & State Highways
- Cities
- Townships
- Lakes

Note: Restrictions may begin and end at different times in different parts of the county. The dividing line between the North-Central and North zones follows Trunk Highways 1, 89, and 2 from northwest to southeast across Beltrami County. South and west of this line is the North-Central zone. North and east of this line is the North zone. Refer to the MnDOT Seasonal Load Limits website for more detail.
